WELCOME TO
CLIFTON SPRINGS PRIMARY SCHOOL

Clifton Springs Primary School belongs to us all - it is a community school. The students, staff, parents and members of the community all work together to create a positive environment in which the students learn. We are all proud of the excellent reputation Clifton Springs PS has in the community and continually strive to improve our achievements. We know your association with the school will be a positive one.

This handbook has been produced to assist parents in knowing all about their school. The booklet has been organised alphabetically for ease of use. An appendix section contains policies parents may need to know in full. If you are interested in any other policies or school information please refer to our website www.cliftonspringsps.vic.edu.au or discuss with the class teachers, Assistant Principal or Principal.

We look forward to a long, positive relationship with you and your child/ren.

SCHOOL ORIGIN

Clifton Springs Primary School began in February 1989, as part of a shared campus with host school, Drysdale. On July 23rd 1990, the new school commenced operating from its current site in Jetty Road.

VISION STATEMENT

Underpinning these core values, our school has adopted the Nine Values for Australian Schooling which are:

1. Care and Compassion – Care for self and others.
2. Doing your Best – Seek to accomplish something worthy and admirable, try hard, pursue excellence.
3. Fair Go – Pursue and protect the common good where all people are treated fairly for a just society.

ABSENCES
If a child is absent, a note must be forwarded informing the school of the reason. (A telephone message or oral explanation is quite acceptable. Absences can also be recorded on the school App). This is a legal requirement. Student achievement is influenced by absences. It is parent’s responsibility to ensure regular attendance which must occur for students to progress. Regular absences will be followed up by the Assistant Principal or Principal. Absences are recorded on student reports.

APPOINTMENTS
We encourage communication between home and school but often it is not possible for teachers, Assistant Principal or Principal to see you without an appointment. Please contact the office to make an appointment.

ART SMOCK
All students (Years P - 6) must have an art smock. These can be purchased or an old shirt may be used.

ASSEMBLIES
School Assemblies: There will be a full school assembly every Friday at 3.00pm. All students and staff are in attendance and parents are most welcome

ASSISTANT PRINCIPAL
The Assistant Principal deals with all student welfare concerns, Disabilities and Impairments. Please make an appointment to discuss any concerns.

ASThma
Parents are required to notify teachers of asthma requirements. Students who require asthma puffers should have these in the sick bay. Serious asthmatics should know how to use their own nebuliser which will be kept at the office. All new parents are to complete a School Asthma Management Plan and Medication Approval form at the beginning of the school year and these need to be updated when there are changes to treatment and before camps and excursions.

AWARDS
We believe in giving students positive awards as often as possible and these are published in our school newsletter and are presented at our all school assembly.
Every week each class teacher gives an individual student award. ‘You’ve Earned It’ awards are given for displaying positive behaviour in the playground and in specialist classes individual students are recognised weekly. ‘Rubbish Free Lunch’ awards are earned for bringing food unwrapped in reusable or recyclable containers.

BALL GAMES
All must be played on the basketball courts, rebound wall or oval areas. Not permitted on the concrete areas near the buildings.

BANKING
School Bank: Student’s school bank accounts are lodged with the Commonwealth Bank in Drysdale. All new enrolments to the school may transfer accounts at previous branches or open a new account through the Commonwealth Bank. New prep parents will receive an information pack early each year.
OUR BANK DAY IS TUESDAY

BIKES
Students are not permitted to ride bikes to school, unless accompanied by an adult or until having completed the Bike Education Course in Year 4.
Students who ride bicycles to school should be aware that the school takes no responsibility for the security of the bikes. It is required that all bikes have secure locks, are only walked through the school grounds and ridden safely between home and school. The wearing of helmets is compulsory.
If these few rules are not obeyed then the privilege of bringing a bicycle to school is withdrawn temporarily or, in the case of repeated problems, permanently.
BOOKLISTS
Booklists are sent home at the end of the year outlining classroom requisites for the next year, as well as payments required from parents. Pupil supplies are issued in January ready for the commencement of the school year. We have kept the booklists to a very reasonable cost.

BRAIN FOOD
All students are encouraged to drink water and eat healthy snacks in class. This helps to keep the brain “switched on”. Students will be able to graze throughout the day on brain food including dried fruit, vegetables such as carrots and celery, nuts, seeds and plain wholegrain snacks such as rice crackers. Snacks are to be brought to school in a small named container and will be on student’s tables for the day. Students will only be eating their own snacks and not sharing with others. The way classes organise their snacks will be decided by the teachers and students of each individual class and therefore may be different from class to class.

BUDDIES
All students are involved in a Buddy program. At the beginning of the year classes are “Buddied Up” and throughout the year are involved in activities together.

BULLYING
Clifton Springs Primary School does not tolerate bullying or harassment in any form. All members of the School Community are committed to ensuring a safe and caring environment which promotes personal growth and positive self-esteem for all. Set class and yard procedures are enforced to address bullying and inappropriate behaviour. Please reinforce with your child to speak to the yard duty teacher if they are feeling threatened or unsafe. Parent concerns regarding bullying should be directed to the classroom teacher or Assistant Principal/Principal.

BRING YOUR OWN DEVICE (BYOD)
Optional program for Grades 4 – 6. Where students bring their own Apple iPads to school and are integrated into the curriculum, allowing far greater access to the digital world and the amazing benefits it provides.

CAMPS
Grades 3/4 – Sovereign Hill/ Camp Sunnystone
Grade 5 and 6 – Camp Wilkin (Anglesea) / Lady Northcote / Melbourne Urban camp – alternate years

CANTEEN
Our Canteen is currently open on Fridays for over the counter snacks and for lunch orders on a Friday. Orders must be brought to the office by 3:30pm on Wednesday.

CAR PARKING
The car park in front of the administration area is only for use by staff, visitors, deliveries, the waste disposal contractor, or any emergency vehicle as may need to attend the school. It is not for the delivery or collection of students. Off-road car parking has been developed for parents dropping off or collecting pupils – (it is ONE WAY ONLY) and parking is permitted only on the school side. Parents and students must access this via pathways around the main building - not through the main entrance or through the staff car park. The staff car park may be used to collect students from sickbay or for Out of School Hours Care.

CASUAL REPLACEMENT TEACHERS (CRT)
When your child’s teacher is ill or absent a casual replacement teacher will teach the class. We expect students to respect and cooperate with these teachers the same as they would for their class teacher.

CHEWING GUM
Chewing gum and bubble gum are not permitted at school.

CHAPLAIN
Amanda Marsh is our school chaplain who helps students find ways to deal with issues ranging from family breakdown and loneliness, grief, stress and anxiety. Amanda works in conjunction with our Welfare Officer Kellie Hewson, and they also facilitate KidsMatter Group.

CLASSROOMS
Students are not permitted to enter classrooms unless supervised by a teacher.

COLLECTION OF A STUDENT
All students arriving at or leaving school, outside of normal hours must be signed in by a parent/carer at the office. An early dismissal or late arrival card will be issued and must be presented to the classroom teacher. Students will not be permitted to leave the school grounds during school hours unaccompanied.
There is no compulsory school uniform coat. Students may wear any type of coat but we encourage parents to try to purchase coats in school colours. Coats may be purchased from the office for approximately $30. Students are not to wear coats in the classrooms.

A School Concert is held annually. All classes present an item and the whole community is invited to attend. A charge may be incurred by adults and students attending other schools to cover costs.

Our Integrated Curriculum topics are called Curriculum Organisers and are whole school based. The Curriculum Organisers run on a 2 year cycle. The focus of our Curriculum Organisers is to develop thinking skills, based on knowledge, in our students. Parents are informed of the curriculum programs at the beginning of each year.

It is vital that the school be kept informed of any access or custody restrictions. Photocopies of any orders must be given to the office.

Students may be required to do ‘Time Out’ for yard or class offences. Parents are asked to support the school in this matter. Students may be detained for ½ the recess or lunch break without parent permission.

These expensive games/toys can cause disruption to class and are therefore not permitted at school. There may be occasions when students have permission to bring them to school but the classroom teacher will request they be left in their care.

A whole school approach is taken to discipline. All classes follow class agreements which are negotiated by students and teachers early in the year. A whole school yard plan is followed where students who break school rules have their name recorded in the yard duty book and a consequence given. Parents are notified of inappropriate student behaviour at regular intervals.

Classes are dismissed at 3.30pm
At the end of Terms 1, 2, 3 & 4 dismissal time is 2.30pm (or as per guidelines in the DEECD agreement)

There is a plan in place to deal with any major disaster that may occur at the school. Evacuation drills are carried out on a regular basis to ensure that there is an effective response to any emergency.

No dogs are permitted on school property.

The wearing of earrings is not a part of school uniform and therefore not permitted. Students with pierced ears must wear standard size studs or small sleepers in gold or silver only.

The school must have up to date emergency contact numbers in case the student becomes ill or is injured. Any alterations to phone number, address, doctor, or emergency contact must be recorded promptly at the office.

When enrolling a student for the first time, the following are required.
a) School Entry Immunisation Certificate (obtainable from Health Department of Shire)
b) Proof of Date of Birth
c) Enrolment form
d) Out of School Hours Care enrolment

Excursions and Camps are a valuable way of extending the learning beyond the classroom. It is an expectation that students will participate in excursions / incursions, except when the decision has been made by the school to exclude the student due to continual inappropriate or unsafe behaviour.

No student will be permitted to attend an excursion or camp, unless the appropriate permission form has been returned to school. If the student is an asthma sufferer you will be required to update the Asthma Management Form if necessary. All required medication and medical information must be handed to staff prior to the activity. Medication must be clearly labelled with name and dosage.
When participating on excursions (sporting outings included) students are to wear full school uniform including a school hat between the months of October to May.

Hats are available to purchase at the Office.

**HEADLICE**
Parents/guardians must regularly check their own children for infestation. Teachers are not permitted to do this. If head lice are found, parents should immediately seek treatment, and notify the school. The office, on being told of the infestation, will send a generic notification form to parents/guardians of the other students in the same class. Infected students are excluded until appropriate treatment has commenced. A student with head lice can be treated one evening and return to school the next day. Presence of eggs in the hair is not cause for exclusion. More information can be obtained through the Department of Human Services’ Website at: www.dhs.vic.gov.au/phd/headlice.

**HEALTH**
It is important that the teacher knows of any medical condition a student may have, eg. vision, hearing difficulties, asthma, epilepsy, etc. Equally, it is necessary for teachers to know of any medication your child is taking as it allows the teacher to make allowances for any effects from these.

The Library is a quiet pleasant room. Library lessons are taken for all grades. Books lost must be replaced - parents will be charged for their replacement cost. To borrow from the Library, students must have a library bag into which books can be placed.

LOST PROPERTY
All property - clothing, shoes, books, bags, should be clearly labelled with your child’s name. Lost Property is displayed near the staff-room and may be collected at any time during school hours. If your child brings home someone else’s property by mistake, please return it to school promptly.

LITTER
Students are expected to assist in keeping the school grounds clean and tidy. Blue bins are placed outside the canteen as this is the designated area for eating if children have litter. We promote a ‘Nude Food’ approach and require that where possible rubbish is not taken into the yard.

Please pack a lunch according to your child’s appetite. Students enjoy a “play lunch” snack at morning recess (10.30 – 11.00am). Lunch is eaten at 1.00pm, and lunch break is 1.10 – 2.00pm.

UNIFORM – STUDENT DRESS CODE

1. Rationale:
   1.1. To create and promote a sense of collective and individual pride in students, and their identification with the school and the school colours of royal blue and gold.
   1.2. To ensure that clothing worn to school is neat, clean, safe and inoffensive.

2. Aims:
   2.1. The student dress code will apply during school hours and when travelling to and from school, and when students are engaged in school activities outside of school hours.
   2.2. Broad brimmed or legionnaire’s hats in school colours must be worn as set out in the CSPS Sunsmart policy, from the start of September to the end of April.
   2.3. The wearing of jewellery is not permitted, except for watches, stud and sleeper earrings.
   2.4. Appropriate footwear must be worn. No high heeled shoes or open toed sandals.
   2.5. Plain socks (either white, navy blue or royal blue) must be worn. No stripes or spots. Tights or leggings are to be in royal or navy blue.
   2.6. Nails are to be of a safe length and only clear coloured nail polish is allowed.
   2.7. Skin transfers and make-up (except for clear lip gloss / chap stick) are not to be worn.
   2.8. Collar length hair must be tied back for health and safety reasons and hair colour to an extreme shade is not permitted. Fringes must not be so long as to impede vision.
   2.9. Winter kilts or box pleat skirts may not be worn higher than the knee.

3. Implementation:
   3.1. The process for exemptions from a dress code is set out in the School Policy and Advisory Guide. The operational tasks of granting exemptions on the basis of the grounds stated in the dress code, and the administrative decisions associated with its enforcement belong to the management role of the Principal.
   3.2. School leadership will when needed, make recommendations to the School Council as to items of approved School Uniform.
   3.3. In deciding school clothing items, consideration will be given to cost, practicality, health, safety and availability, ensuring that both sexes are able to participate actively and safely.
   3.4. The main supplier of school uniforms is A-Plus Uniforms, Belmont. This contract will be reviewed annually.
   3.5. Some uniform items (without insignia), hats, bags and second hand clothing items will be available for purchase at the school office.
   3.6. The school community will be regularly kept informed of the student dress code requirements through the school newsletter and on the school website.
   3.7. Prospective students and parents will be notified of the dress code requirements prior to enrolment at the school.
   3.8. Parents are required to provide a note of explanation in the student’s diary for an infringement of the dress code. For a child out of uniform for more than one day, the classroom teacher will contact the parents and assess the situation, which will include a standard proforma which requires a parent signature. The Assistant Principal will be notified if lack of uniform compliance continues.
   3.9. If parents are having difficulty providing a uniform, arrangements can be made with the Principal. (eg, second hand uniforms, State Schools Relief Fund, KIND funding).
   3.10. Year 6 students will have the option to purchase individual polo shirts or rugby tops with a specific design for that year.
   3.11. Summer and Winter uniform options are available, as are female uniform options, eg dresses, kilts and skirts, however students are not limited to wearing specific options in set terms, nor are females required to wear female uniform options.
