

## *Visual Arts*

*During Term 4, the students in Prep will work to complete any unfinished projects from previous terms where lessons were interrupted by Covid 19 restrictions. This includes threading in Textiles and combining a variety of other skills and materials in Mixed Media and Collage projects. They will also have an opportunity to share and evaluate some of the learning that took place at home.*

*Students will work on a painted portrait of someone they hold close in their heart and these paintings will be used to decorate a wooden Christmas tree that will be displayed in central Geelong.*

*They will also learn about the art that is associated with celebrations that take place in Australia and other countries such as Halloween, Day of the Dead, Diwali, Thanksgiving and Christmas. This will complement the work being done in the classroom in the Inquiry lessons.*
