

Music- *Foundation*

Term 1 Music will initially focus on students exploring and expressing ideas. This covers how to use instruments safely and respectfully, how to create a safe music class environment, whereby everyone is supported to express their musical learning. Students will also discover the diversity of sound that different instruments make.

Students will learn to maintain a steady beat through games, dancing, and play.

They will be learning how to clap and play a simple rhythm on percussion instruments. They will learn how to demonstrate the high and low notes (pitch in music with their body and on chime bars. Students will be exposed to music with dynamic changes (loud and quiet) and be able to demonstrate this. Students will also experience a variety of musical types to start learning about different genres and music from around the world.
